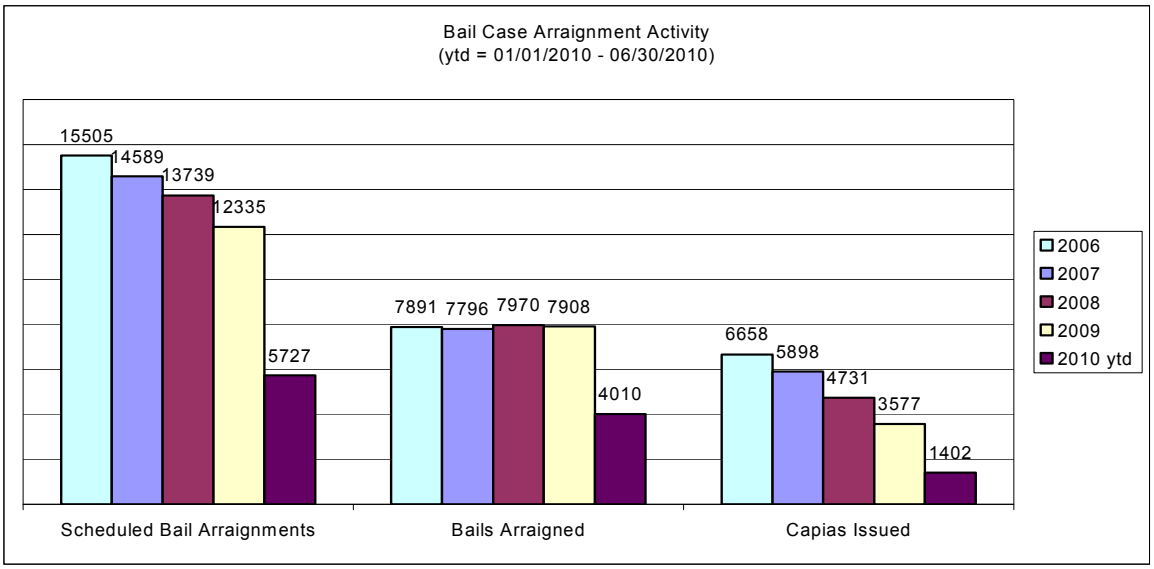
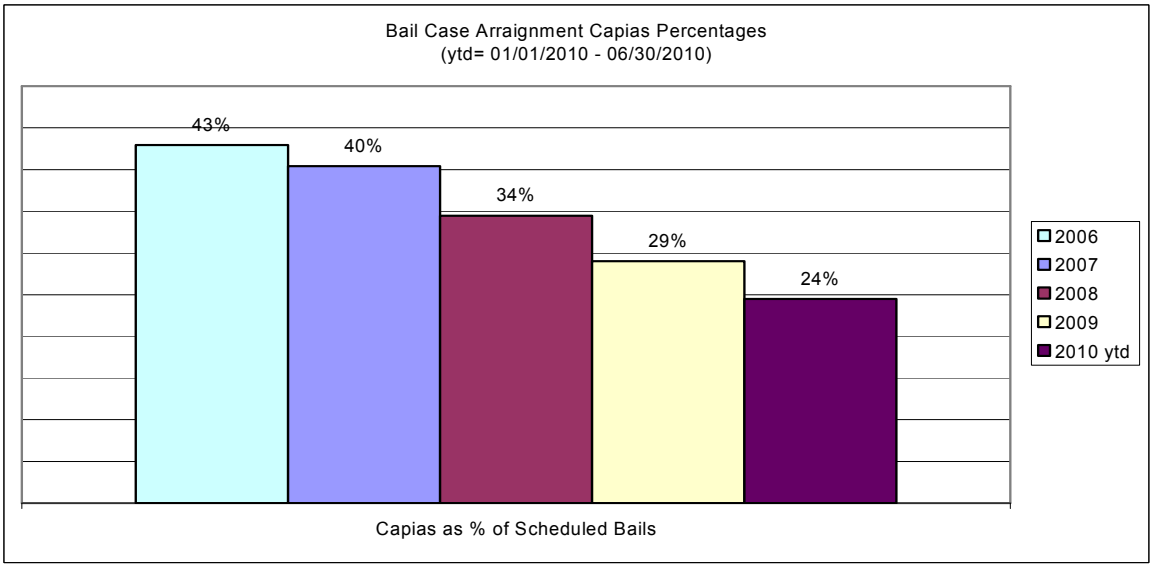
Bail Case Arraignment Activity

The following charts are reflective of arraignment activity where the defendant was not incarcerated at the time of arraignment. The source for this information was the Criminal Records Department.





* Data set consists of cases where 1 of the following conditions exists:

1. Case has an indictment date in date range.
2. Case has an arrest date in date range.
3. Case has a filed date in date range.

** Pilot Cases are identified as:

1. CPD 2nd, 3rd, and 4th cases have an Early Disposition Conference held date.
2. All Suburban Agencies' cases have an Initial Appearance held date
