IT IS THEREFORE ORDERED:

1. In order to reduce the spread of COVID-19 in Court buildings; to maintain the efficiency and uninterrupted provision of Court services; and to protect the health of staff and visitors, all attorneys who wish to remain on any list used for appointment must be fully vaccinated no later than October 15, 2021. Fully vaccinated is considered as having received either the single dose Johnson and Johnson vaccination or both doses of either the Pfizer or Moderna vaccinations.
2. This Order applies to any attorney paid by any Division of the Common Pleas Court, including, but not limited to, assigned criminal defense attorneys, assigned appellate attorneys, mediators, business mediators, arbitrators, guardians ad litem, trustees for suit, fiduciaries, guardians, counsel for indigent wards, counsel for mental illness, investigators for special needs trusts, counsel for indigent biological parent in an adoption, psychiatric magistrates, and Resource Center attorneys. This Order does not apply to counsel retained in any case.

4. Vaccination records received by the Court are not considered a public record and will be maintained confidentially.
5. Presentation of a forged or otherwise falsified vaccination card or record may subject the attorney to criminal action separate and apart from any potential sanctions under this policy. It should be noted that forgery of a vaccination card is a federal offense.

8. Any attorney who timely submits a request for exemption as stated in paragraph 6 and who still has a pending request for exemption on October 15, 2021, will be given 45 calendar days after the date a decision is given to become fully vaccinated if the exemption is denied. The deadline to become fully vaccinated will be communicated in writing to the attorney.
